

CATS OF THE PRESIDENT
(OF THE REPUBLIC OF FINLAND)

Meow, meow, meow, meow! Meow, meow, meow, meow!

We are cats of the president of the republic of Finland.
Come sing along, laugh and dance and so on.
Yes here we are, with a battery car,
jumpcastle with our toons and balloons!

So, we are Miska and Rontti. No, Rontti first! Rontti and Miska!
No, no, Miska and Rontti. No, no, Rontti first!

Cat's are playing excellent song, now kids, jump along!
Can you jump to the ceiling, oh mother, what a feeling!

Hey don't just stand and stare, just like adults over there,
it is so unfair, why they don't jump there.
We are bigger stars than anyone, we are number one.
We're cats of the president of the Finland.

So, Miska and Rontti. No, Rontti first! Rontti and Miska!
No, no, Miska and Rontti. No, no, Rontti and Miska.

Meow, meow, meow, meow! Meow, meow, meow, meow!

We are cats of the president of the republic of Finland.
Come sing along, laugh and dance and so on.
Yes here are, with a battery car,
jumpcastle with our toons and balloons!

Please, take off your hats, we are almost royal cats.
we are walking on the red carpet, having fun is our target.
We wave our tails, do you like funny fairy tales,
like cats of the president of Finland!
