

IT IS TIME TO SAY GOODBYE

1

We are leaving you now,
stop to show, but how?
information and news: (ladies and gentlemen:)
this is our last one blues.

2

We have our next one show
tomorrow so we gotta go.
Raise your hands up before
here are performers no more.

Everybody, it is time to say goodbye!
Oh, mother please please don't cry.
Do heart that, someone kid yell out, so long!
Cos' plane of cats will soon be gone.
Goodbye, we are going home,
was it Paris or was it Rome?

3

This is a final finish
I'd like to speak some Finnish
Suomi, Suomi, mitä kuuluu? kukkuluuruu?
Suomi, suomi, terve, terve!

4

Give last applause to cats.
Big applause to big cats.
Little ladies and little gentlemen:
louder, louder, don't you understand?
