

JUMPCASTLE

1

I heard to news and I'm gonna go
I don't want to be late from the show
and watching when they blow
jumpcastle after the show.

2

I wait this happening for so long,
now I'm gonna really sing along.
I'm gonna shout
and scream out

Jump-jump-jump jumpcastle!
Let's move: up, down, up, down,...

3

You can't jump and eat ice-cream
you must work out as a team
Take off your shoes
and show me your moves.

4

There's a time when you have to wait
and listen what controller said.
Wait for your turn,
you're very fast to learn.
