

RABBIT ROCK

1

Rabbit wakes up in a morning light,
early in the morning the time is right,
to work out some aerobic,
lets jump a little jumping trip.

Hands to the roof, hands to the floor x 4

2

Rabbit is thinking, not to show her face,
how to survive and always win this race.
Watch-dog use to lose this run
and never cook rabbit as well-done.

Jump forward, jump backward x 4

3

Now everybody, listen to the dog,
dog want's to dance a Rabbit Rock.
soon Rabbit is dancing away.
No matter what you say.

Jump to the left, jump to the right x 4

Everybody, everybaby, get down.
Watch-dog is get a round
Do you hear to yap?
I hope this is not a trap.

Jump to the left, jump to the right.

Hands to the roof, hands to the floor.
Jump forward, jump backward.
Jump to the left, jump to the right.
