

SWIMMING SONG

Cat swimming to begining!

1

I want to the water
what do you say father
I take to my heels
(and) make smoke from my wheels.

and I swim like a frog x 3 (yes I) Yes I swim like a frogman
(use your hands!)

2

I don't need a boat
in this water road
Would you give a hand
if I'm deep in the sand.

But I dive like a duck x 3 I dive like a Donald Duck

3

Before you go to the pool,
one important rule.
You must be so clean,
you know what I mean.

I crawl like a Tarzan x 3 I crawl like a real Tarzan

Test of swimming:

Miska: Now it's time to test of swimming, I'm testing,

Rontti: so are you a test animal?

Test swimmers, are you ready?

but I swim like a frog.

I dive like a duck.

I crawl like a Tarzan.

(M: Jane is in trouble, crocodile is coming! R: faster, faster)

but I swim like a frog.

I dive like a duck.

I crawl like a Tarzan,

and cat swimming
