

## TRAP OF MOUSE

### 1

We want food and it's had to be good.  
Want to eat, lot of good meat.  
My stomach yells out  
I'm hungry, there's no doubt.  
Get me eatable to the table.

### 2

There are rules and we are no fools.  
There are houses where you can't get mice  
this is understood  
Rontti, take a look.  
watch to the trap, tap, tap, tap!

I'm hungry like a wolf - I'm not a wolf  
I'm gonna eat like a horse - I'm not a horse  
Rontti mouse is there – Miska beware!  
Watch to the trap, yes we got!

### 3

In the light of moon, mouse is coming soon,  
Light by night, no need to fight.  
I fell like a genius king,  
this trap is really working.  
Mousy, have some cheese, would you please?
